eels, Dead Of Winter

Standing in the dark outside the house Breathing the cold and sterile air Well I was thinking how it must feel To see that little light And watch it as it disappears And fades into And fades into the night

So I know you're going pretty soon Radiation sore throat got your tongue Magic markers tattoo you And show it where to aim And strangers break their promises You won't feel any You won't feel any pain

And the streets are jammed with cars Rockin' their horns To race to the wire Of the unfinished line

Thought that I'd forget all about the past
But it doesn't let me run too fast
And I just wanna stand outside
And know that this is right
And this is true
And I will not
Fade into
Fade into the night

Standing here in the dark
