eels, Hello Cruel World

Hello cruel world so this is you A broken heart a withered view I'm looking out to face another day

The angry mob, the happy mass This birthday cake may be the last I'm looking out to find another way

Norman rockwell colors fade All my favorite things have changed What the hell, Hello cruel world

I thought I heard an opera star Who had no home under the stars She sang and sang the night away

And mother nature changed her name She doesn't want to play the game I don't believe she'll ever be the same

So big brother never came Howdy-doodie gets the blame But what the hell Hello cruel world

Fat and beautiful and strange Monkeys dancing in a cage But what the hell Hello cruel world

Venus de milo grew an arm And old mcdonald bought the farm Say goodbye Hello cruel world

Norman rockwell colors fade All my favorite things have changed But what the hell, hello cruel world

Fat and beautiful and strange Monkeys dancing in a cage But what the hell Hello cruel world

Say goodbye, hello cruel world

But what the hell Hello cruel world Hello hello Ooooh ooooh Hello cruel world
