

eels, Hey Man

Do you know what it's like to fall on the floor
And cry your guts out 'til you got no more
Hey man now you're really living
Have you ever made love to a beautiful girl
Made you feel like it's not such a bad world
Hey man now you're really living
Now you're really giving everything
And you're really getting all you gave
Now you're really living what
This life is all about
Well i just saw the sun rise over the hill
Never used to give me much of a thrill
But hey man now you're really living
Do you know what it's like to care too much
'bout someone that you're never gonna get to touch
Hey man now you're really living
Have you ever sat down in the fresh cut grass
And thought about the moment and when it will pass
Hey man now you're really living
Now you're really giving everything
And you're really getting all you gave
Now you're really living what
This life is all about
Now what would you say if i told you that
Everyone thinks you're a crazy old cat
Hey man now you're really living
Do you know what it's like to fall on the floor
And cry your guts out 'til you got no more
Hey man now you're really living
Have you ever made love to a beautiful girl
Made you feel like it's not such a bad world
Hey man now you're really living
People sing
Do you know what it's like to fall on the floor
And cry your guts out 'til you got no more
Hey man now you're really living
Just saw the sun rise over the hill
Never used to give me much of a thrill
But hey man now i'm really living
