

# eels, Hey Man

Do you know what it's like to fall on the floor  
And cry your guts out 'til you got no more  
Hey man now you're really living  
Have you ever made love to a beautiful girl  
Made you feel like it's not such a bad world  
Hey man now you're really living  
Now you're really giving everything  
And you're really getting all you gave  
Now you're really living what  
This life is all about  
Well i just saw the sun rise over the hill  
Never used to give me much of a thrill  
But hey man now you're really living  
Do you know what it's like to care too much  
'bout someone that you're never gonna get to touch  
Hey man now you're really living  
Have you ever sat down in the fresh cut grass  
And thought about the moment and when it will pass  
Hey man now you're really living  
Now you're really giving everything  
And you're really getting all you gave  
Now you're really living what  
This life is all about  
Now what would you say if i told you that  
Everyone thinks you're a crazy old cat  
Hey man now you're really living  
Do you know what it's like to fall on the floor  
And cry your guts out 'til you got no more  
Hey man now you're really living  
Have you ever made love to a beautiful girl  
Made you feel like it's not such a bad world  
Hey man now you're really living  
People sing  
Do you know what it's like to fall on the floor  
And cry your guts out 'til you got no more  
Hey man now you're really living  
Just saw the sun rise over the hill  
Never used to give me much of a thrill  
But hey man now i'm really living
