## eels, Hey Man (Now You're Really Living)

Do you know what it's like to fall on the floor And cry your guts out till you got no more Hey man now you're really living

Have you ever made love to a beautiful girl Made you feel like it's not such a bad world Hey man now you're really living

Now you're really giving everything And you're really getting all you gave Now you're really living what This life is all about

Well i just saw the sun rise over the hill Never used to give me much of a thrill But hey man now I'm really living

Do you know what it's like to care too much 'bout someone that you're never gonna get to touch Hey man now you're really living

Have you ever sat down in the fresh cut grass And thought about the moment and when it will pass Hey man now you're really living

Now you're really giving everything And you're really getting all you gave Now you're really living what This life is all about

Now what would you say if i told you that Everyone thinks you're a crazy old cat Hey man now you're really living

Do you know what it's like to fall on the floor And cry your guts out 'til you got no more Hey man now you're really living

Have you ever made love to a beautiful girl Made you feel like it's not such a bad world Hey man now you're really living

People sing
Do you know what it's like to fall on the floor
And cry your guts out 'til you got no more
Hey man now you're really living

Just saw the sun rise over the hill Never used to give me much of a thrill But hey man now i'm really living
