

# eels, I'm Going To Stop Pretending That I Didn't B

I'm gonna tell you what you need to hear  
And I'm a little too late  
By three or four years  
And it may not make much sense  
Now that we are apart  
But I'm going to stop pretending  
That I didn't break your heart

You see I never thought enough of myself  
To realize that losing me could mean  
Something like the tears in your eyes  
And I want to tell you I'm sorry  
And it's too late to start  
But I'm going to stop pretending  
That I didn't break your heart

And it's Christmas Eve  
Years down the line  
Sitting here wishing I'd treated you better  
When you were mine  
And I have no way of knowing where you are  
But I'm going to stop pretending  
That I didn't break your heart

I didn't mean to hurt you  
I didn't know what I was doing  
But I know what I have done
