## eels, Mighty Fine Blues

Feeling mighty fine Feeling mighty fine at this time, yes I am Feeling mighty fine Feeling mighty fine at this time, yes indeed

Walk down any street Pass the people you meet What is it about this place that keeps you on your feet

Feeling mighty fine Feeling mighty fine at this time, yes I am Feeling mighty fine Feeling mighty fine at this time, yes indeed

Night is coming down Closer to the ground Gonna have a little fun while I'm still around

Feeling mighty fine Feeling mighty fine at this time, yes I am Feeling mighty fine Feeling mighty fine at this time, yes indeed

Don't believe the words they say to you when they are so absurd Don't believe a word they say about me because I'm feeling mighty fine

Think I gotta go Think I'm gonna die Oh my God somethings wrong The end is coming near because I'm

Feeling mighty fine feeling mighty fine at this time, yes I am Feeling mighty fine Feeling mighty fine at this time, yes I am, yes I am
