

# eels, Pray

Never much of a hope for men  
Nothing good to say  
But I couldn't help it  
When I saw her  
I had to know if

She don't know where to go  
She don't know how to stay  
And she don't know how good I can be  
Or how much I can pray  
I pray

And soon I know her a little more  
She's everything I dreamed  
But still I wonder what it would be like  
If she left me

She don't know where to go

She don't know how to stay  
But she don't know how good I can be  
Or how much I still pray  
I pray

There must be something that's following her  
That keeps her from this state  
There must be something that makes me want to  
Pray  
Pray  
I pray

She says she's all right but she's not sure  
And I'm not sure what that means  
She says she's all right but she needs some help  
I don't know how  
I don't know how  
I don't know how
