

eels, Tiger In My Tank

i bought some rock star ashes,
from the back of rolling stone
i guess he wouldn't mind it,
they couldn't sell his soul

the tiger in my tank, is going to go extinct
and im not feelin so good myself,
i think im on the brink
of disaster

i had a dream last night
the tv and the phone
grew some legs and took a walk
and left me all alone

the tiger in my tank, is going to go extinct
and im not feelin so good myself,
i think im on the brink
of disaster

when i grow up ill be
an angry little whore,
ill give you all the finger
i'll sell you all what for
