

# eels, Ugly Love

Dear cousin,  
I got your letter  
It was more than i thought i deserved  
Well she sounds perfect, all i dream of  
And i dream about so much it is absurd  
But when i get there and she sees me  
I'll be impressed if she does not run screaming

My kind of love is an ugly love  
But it's real and it lasts a long, long time

I had a thought while i was sleeping  
And i dreamed about a place for us to rest  
Eternity under the old oak tree  
But i go too far i guess  
Maybe i'll think about tomorrow  
And maybe i can get her to stay that long

'cause my kind of love is an ugly love  
But it's real and it lasts a long, long time

And if she finds me so repulsive  
She wouldn't be the first to wretch  
Well i decided one day long ago  
I was never gonna be the greatest catch  
And if she cares about the car i drive  
Then she can get in hers  
The moment i arrive

'cause my kind of love is an ugly love  
But it's real and it lasts a long, long time
