

# Efterklang, Monument

We turn the bed - a couple  
They go to bed alone  
A moving quest awaiting  
We go to bed alone

Cynical cries for make-up love  
Fighting best in the know  
He's in the bed below me  
A man possessed with guilt

I'm over it  
Upset  
I'm over it  
Upset

Turn away, turn away, turn away love  
They're covering all of the grave  
Move away, move away, move away love  
There's something about a prayer

Turn away, turn away, turn away ha turn away  
They're covering all of the grave  
Move away, move away, move away ha move away  
There's something about a prayer

Turn away, turn away, turn away ha  
(I'm over it)  
They're covering all of the grave  
Move away, move away, move away ha  
(Upset)  
There something about a prayer
