

Eggstone, If You Say

you're not impressed
with the way I dress
but if you say you want me that way
I could wear a tie
yeah, if you say you want me that way
I could wear a tie
you're mouth is pursed
my trousers cursed
but if you say you want me that way
I could wear a tie
yeah, if you say you want me that way
I could wear a tie
a new pair of shoes
would be wonderful news
but so sad to lose
but if you say you want me that way
I could wear a tie
yeah, if you say you want me that way
I could wear typically blue tie
if you say you want me that way ...
but if you say you want me that way
I could wear a tie
yeah, if you say you want me that way
I could wear typically blue tie
in the end you want me that way ...
