

Eiffel 65, Follow Me

<lyrics>

Follow me because
I will lead the way
To the very end of the things I pray
And all that I know I will pass on
Until the day you will need me no more

Follow me because
I will lead the way
To the very end of the things I pray
And all that I know I will pass on
Until the day you will need me no more

Follow me because
I will lead the way
To the very end of the things I pray
And all that I know I will pass on
Until the day you will need me no more

Follow me because
I will lead the way
To the very end of the things I pray
And all that I know I will pass on

I will take you to where you've never been before
And I'll show you all of this colourful world
And when the moment comes that you will carry on
You, you'll do the same
You will lead the game
For another, another
Just like you

Follow me because
I will lead the way
To the very end of the things I pray
And all that I know I will pass on
Until the day you will need me no more

Follow me because
I will lead the way
To the very end of the things I pray
And all that I know I will pass on
Until the day you will need me no more

I will take you to where you've never been before
And I'll show you all of this colourful world
And when the moment comes that you will carry on
You, you'll do the same
You will lead the game
For another, another
Just like you

Follow me because
I will lead the way
To the very end of the things I pray
And all that I know I will pass on
Until the day you will need me no more

Follow me because
I will lead the way
To the very end of the things I pray
And all that I know I will pass on
Until the day you will need me no more.

Follow me because
I will lead the way
To the very end of the things I pray
And all that I know I will pass on
Until the day you will need me no more.

Follow me because
I will lead the way
To the very end of the things I pray
And all that I know I will pass on
Until the day you will need me no more.
