I go to sleep when it is morning  
I live my life like a vampire sucking music  
I send a message when I DJ  
I touch my people with vibrations from my 2 turntables  
I go to party with the fire  
It makes me know how I feel that's the deal buddy  
You see the walls around me c'mon let's raise the roof  
And so I'm spinning my best records tonight for you

I can rock your body, move  
DJ with the fire  
I can rock your body, move  
And I DJ with the fire, fire  
I can DJ ,I'm a DJ with the fire

I can rock your body, move  
And I DJ with the  
I can rock your body, move  
DJ with the fire  
I can rock your body, move  
And I DJ with the fire, fire  
I can DJ ,I'm a DJ with the fire  
I can rock your body, move

DJ with the fire, rock ya , move  
DJ with the fire, rock ya , move  
DJ with the fire, rock  
DJ with the fire, rock ya , move  
I DJ with the fire
