

Eisley, My Lovely

Why do you wait on me?
And how do you wait for me?

I'm feeling alone without you here in my arms.
I'm lost and alone without you here by my side.

Oh. ooh.

Here's a song for you lovely.
Remember that it is for you only, for you only.

Why do you wait on me?
And how do you wait for me?

I'm feeling alone without you here in my arms.
I'm lost and alone without you here by my side.

Oh. ooh.

Here's a song for you lovely.
Remember that it is for you only, for you only.

My heart was caught in a landslide and now it feels for you only, for you only.

Ooh-aahhh ooh-aahhh oooooh.

Here's a song for you lovely.
Remember that it is for you only, for you only.

My heart was caught in a landslide, and now it feels for you only, for you only.

Yeah..
