

Ektomorf, I Choke

I feel so fucked up here...
I feel I cannot breathe

Poisoned society
Will kill me legally

I choke
I choke
I cannot breathe
I choke
I choke

Disgrace and poverty
All around surround me

Disgusting empty life
Makes me an outcast

Inside my lungs my heart
Infected from this life

I choke
I choke
I cannot breathe
I choke
I choke

Breathe
Breathe
Breathe
Breathe

I want to breathe
I want to breathe
I want to breathe
I choke

I choke
I choke
I cannot breathe
I choke
I choke
I choke from this life
