Ektomorf, Instinct

I am who I am Walk on my own way Follow my instinct

I am the target of your jealousy I am the one who you just wanna be Look, look in the mirror, what you see You full of shit why can't you see

I am the target of your anger I am the one who you call danger I am the one who believe in destiny You motherfucker I am your enemy Your worse enemy

I am who I am Walk on my own way Follow my instinct

I am the target of your jealousy
I am the one who you just wanna be
I am the one who believe in destiny
You motherfucker I am your enemy

I am who I am Walk on my own way Follow my instinct

You just wanna be You're full of shit You just wanna be You're fucking envy

You just wanna be
