

Elaine Paige, If You Love Me-Hymne A L?mour

If You Love Me or Hymne a L'amour

If the sun should tumble from the sky
If the sea should suddenly run dry
If you love me, really love me
Let it happen, I won't care

If it seems that everything is lost
I shall smile, and never count the cost
If you love me, really love me
Let it happen, darling, I won't care

Shall I catch a shooting star?
Shall I bring it where you are?
If you want me to, I will

You can set me any task
I'll do anything you ask
If you'll only love me still

When at last our life on earth is through
I shall share eternity with you
If you love me, really love me
Then whatever happens, I won't care

If you love me, really love me
Then whatever happens, I won't care
