

# Elan, Devil In Me

I don't know how we got here, but I'd do it all over again in a blink of an eye. I'd like to make you some coffee in the morning, pretend someday I'll be a real housewife.

I'm not good at explaining myself, I just found myself as well. And now you know what color my heart is and whose side I'm really on.

Please lend a hand, please make a stand.  
Please lend a hand, please don't be sad.

You caught me lying by the devil in me.  
And I was a poet before I came to this place.

I know I hurt you, I'm sorry for giving you heart a brand new scar. I would really appreciate it if you could give me a brand new start.

This is a short road leading to the real me, you're brave if you decide to walk it. We'll listen to John sing "Oh Yoko" and remember the places we've been.
