Elastica, Gloria

Bristol Sound City '95, Anson Rooms - 17/4/95

You're so merry up on high, Oh so scarily on high Gloria never ever cries. 'Cos she's just too busy Gloria never shuts her eyes, 'Cos it makes her dizzy Now you've got it all, What do you want it for All that noise you got, Do you still want more You're a strange girl, Gloria You say you've got it all, What do you want it for All that noise you got, Well you're just a whore You're a sick girl, Gloria Oh so scary up on high You say you've got it all, What do you want it for All that noise you got, Well you're still a whore You're a sick girl, Gloria You say you've got it all, What do you want it for All that noise you got, Do you still want more You're a strange girl, Gloria, Hosanna in excelsis
