

Elastica, I Wanna Be A King Of Orient-Ah

You always said I should follow my star
Take a chance and I might go far
I wanna ride a camel, wanna smoke a cigar
I wanna be a king of Orient-ah
Oh, wanna be a king of Orient-ah
Wanna be a king of Orient-ah
Gonna [settle] for the man with money
Sounds like fun but it's just not funny
Gonna get a camel, gonna sell my car
Gonna be a king of Orient-ah
Oh, gonna be a king of Orient-ah
Got some spice and a little cigar
Wanna get a keyring with a golden guitar
Wanna find a babe that's born under a star
Then I'll be a king of Orient-ah
Gonna be a king of Orient-ah
Going to be a king of Orient-ah
Gonna be a king of Orient-ah
