

Electric Light Orchestra, Mister Kingdom

Daylight comes to those who live
But those who die they never see
The sun come shining through their window pane
They pass away.

Silly girl to be a fool
You didn't play the golden rule
'Cos once you're through with one world
There's another waiting there

Chorus:

Help me such a lonely soul
In dreams
To leave behind the world.
Mr. Kingdom help me please
To find the rainbows end

Looking from this empty room
The corridors of endless gloom
Go crawling through the night
To meet the dawn that's on its way.
Oh to sleep, perchance to dream.
To live again those joyous scenes.
The laughter and the follies
That are locked inside my head.

Chorus:

I can dream of flying high
Above the city's cares and never be
afraid of anyone

'Cos there ain't no one there

Chorus: Two Times
