

Electric Six, Are You Afraid Of The Devil?

Is your money an issue?
Do you lay awake at night?
Are you afraid of the devil?
Is your waistline too tight?

Is it carcinogenic?
Is it fat free?
Did OJ do it?
Well?
Did OJ do it?
Well?

Brother you're not alone
Cause we're all a bunch of happy clones
I've got a final solution
You can send your body to science
You can send your body to science
You can send your body to science
Science!

Hey you
I like you
And there's something we can do
Let's roll around and make a baby
Me too!
I'm like you
I'm a sentimental fool
Let's roll around and make a baby!

Let's hold hands and run around!
Let's hold hands and run around!
Let's hold hands and run around!
Let's hold hands and run around!
Run around!

Everbody get with the program
Send your body to science!
I've got a final solution
you can sell your soul to the devil!
Are you afraid of the devil?
Are you afraid of the devil?
Yes!
