

# Electric Six, Dance Epidemic

DANCE EPIDEMIC TONIGHT!

Your body goes to waste  
Every minute you dont give it to me  
I'm dyin' for your sins on the dance floor  
Can't you see?

[chorus]

You know it's still on my mind  
Still on my mind  
Still on my mind  
It's still on my mind  
Still on my mind  
Still on my mind  
I want it so bad  
But I'm never gonna get it  
This girls on fire  
It's a dance epidemic  
Baby  
Looks like a dance epidemic to me  
I'm seein' things i thought id never see  
Dance epidemic tonight

You've got your nice apartment  
West LA  
Wilshire and Bundy  
Is that where you get your kicks now?  
Hey, is that where you spend your money?

[chorus]

It's getting harder to breathe  
Your sexy lies cutting into me  
I want it so bad but I'm never gonna get it  
This girls on fire it's a dance epidemic

Baby  
Looks like a dance epidemic to me  
I'm seein' things i thought I'd never, never see  
Dance epidemic tonight  
Start again tonight
