

Electric Six, Getting Into The Jam

I look in the mirror and I know i'm a man,
I know she's a woman and she's looking for a man,
We've got sex planned,
Oh!

Getting into the jam,
Getting into the jam,
I can feel the jam,
I have reached the jam,
Ahy!

Met her in a bar,
Came in my car,
Met her in a bar gonna taker her to my car,
We're gonna make it in my car!

Getting into the jam,
Getting into the jam,
I can feel the jam,
I have reached the jam,
Ahy!

Eeehy! eeehy! eeehy! eeehy!

Getting into the jam,
Getting into the jam,
I can feel the jam,
I have reached the jam,
Ahy!
