

# Electric Six, Getting Into The Jam

I look in the mirror and I know i'm a man,  
I know she's a woman and she's looking for a man,  
We've got sex planned,

Oh!

Getting into the jam,  
Getting into the jam,  
I can feel the jam,  
I have reached the jam,

Ahy!

Met her in a bar,  
Came in my car,  
Met her in a bar gonna take her to my car,  
We're gonna make it in my car!

Getting into the jam,  
Getting into the jam,  
I can feel the jam,  
I have reached the jam,

Ahy!

Eehy! eehy! eehy! eehy!

Getting into the jam,  
Getting into the jam,  
I can feel the jam,  
I have reached the jam,

Ahy!
