

# Electric Six, I Am Detroit

I am Detroit you are New York  
I think it's time that we talked baby  
This is Detroit calling New York  
I think it's time that we talked baby  
It takes two to tango  
We're partners in crime on the dance floor  
called America!

I am Detroit you are LA  
We drew a line in the sand  
This is Detroit calling LA  
I've got a gun in my hand  
It takes two to tango  
we're partners in crime on the dance floor  
called America!

I am Detroit you are Mars  
I am Detroit you are Mars  
You got red sand  
I got cars  
I am Detroit you are Mars  
I send my signal into outer space  
Calling Mars, calling Mars, I am America!

"Spoken"

At lot of that, I believe, is just plain racism. Every previous mayor drove around in limosines and I d
