

# Electric Six, It's Showtime!

get out on the floor  
do things to make em adore ya  
show em why you were born  
and put a little mustard on it

don't tell me what time it is now  
don't tell me what time it is now  
i know what time it is now  
i know what time it is now  
it's showtime - showtime

teach the world to move to your sound  
hop around and twirl around  
and put a little mustard on it

don't tell me who to love or hate now  
don't tell me who to love or hate now  
don't tell me who to love or hate now  
don't tell me who to love or hate now

cause I'm totally filled with hate now  
I'm totally filled with hate now  
it's showtime

one for the money  
two for the show  
it is all done with computers

hey mister!  
put a little mustard on that mustard!

don't tell me how to do my job now  
don't tell me how to do my job now  
don't tell me how to do my job now  
cause I'm totally doin my job now  
I'm totally doin my job now  
showtime
