

# Electric Six, Lucifer Airlines

"This is your captain speaking."

We've gone insane and we're slashing fares on Lucifer Airlines  
You'll drink champagne and nobody cares about arriving on time  
We know your name and your cross to bear, you'll answer for your crime  
And we'll save an extra seat for you on the day you die  
Sit back, relax, and take in the view and enjoy your flight

Sit back, relax "(we love to fly)"  
Sit back, relax  
Sit back, relax "(we love to fly)"  
Sit back, relax  
Sit back, relax "(we love to fly)"  
Sit back, relax  
Sit back, relax "(we love to fly)"  
Sit back, relax

Crash positions, 'cause we're going down on Lucifer Airlines  
taking submissions; turning no one down - we're hiring all kinds

Sit back, relax "(we love to fly)"  
Sit back, relax

What have i, what have i gotten myself into?  
This ain't no sexy vacation for two  
And I just don't know what to do now  
Hey!

We love to fly  
We love to fly  
We love to fly  
We love to fly  
"(This is your captain speaking)"
