

Electric Six, Rock Show

Rock show
You came to see a rock show
A big gigantic cockshow
You came to see it alllll

Rock show
You came to hear it
You came to see it
You came to do it all

If you wanna get it for credit
forget it
dont bet it
call in the medic
its pathetic
you gotta let it go

Let's go

Rock show

Come on!

You came to fear it
You came to see it
You came to do it all

If you wanna get it for credit
forget it dont bet it
call in the medic

you gotta let it go
if you wanna get it for credit

call in the medic
its pathetic
