

Electric Six, Vibrator

Hey! Looks like an emergency
Well, that's OK with me 'cause I wanna take you in this elevator
Looks like you're my baby, now
So put away that thing 'cause my baby don't need no vibrator

CHORUS

I'm sure...I'm the one you're looking for
I'm sure...I'm sure you've heard it all before
I care...but I don't care anymore
I'm sorry...but I don't know what I'm sorry for

She don't, she don't, she don't need no vibrator
She don't, she don't, she don't need no vibrator
She don't, she don't, she don't need no...electric entertainer tuna investigator

Hey...now the doors are opening
and I look like a jerk while you're grinning like an alligator
Can't we just forget the whole thing
shake each others hands and say, "Goodbye, baby, see you later"

CHORUS

She don't, she don't, she don't need no vibrator
She don't, she don't, she don't need no vibrator
She don't, she don't, she don't need no...artificial stimulator non - organic excavator

CHORUS

She don't, she don't, she don't need no vibrator
She don't, she don't, she don't need no vibrator
