

# Electric Soft Parade, Why Do You Try So Hard To

Sometimes, I wake up in the sun  
Everyday, it burns me like no one  
Could ever be like me  
Everyone has faltered now we're gone

You're so bitter, I don't get it  
Why do you try so hard to hate me?  
Your so bitter, I don't get it  
Why you try so hard?

Sometimes, I wake up in he sun  
Everyday, it burns me like no one  
Could ever be like me  
Everyone has faltered now we're gone

You're so bitter, I don't get it  
Why do you try so hard to hate me?  
You're so bitter, I don't get it  
Why do you try so hard to hate me?  
You're so bitter, I don't get it  
Why do you try so hard to hate me?  
Your so bitter, I don't get it  
Why do you try so hard?

So take your songs tonight  
I don't feel the hurt inside  
I am bruised and I am broken  
And I don't feel the hurt inside  
I am taking my exit now  
I am making my exit now  
And I'm not sure where I'll be

You're so bitter, I don't get it  
Why do you try so hard to hate me?  
You're so bitter, I don't get it  
Why do you try so hard to hate me?  
You're so bitter, I don't get it  
Why do you try so hard to hate me?  
Your so bitter, I don't get it  
Why do you try so hard?
