

# Electric Wizard, Wizard In Black

(sample:) you're all the same the lot of ya  
with your long hair and faggot clothes  
drugs, sex, every sort of filth  
and you hate the police, don't ya  
you make it easy...

a tower stands on the edge of time  
upon it stands the astral mind  
the burning chaosphere seethes behind  
ours to see but we are blind

the eyes of god look upon what he's done  
the eyes of man look on and beyond  
i am a god, i am the one  
into the chaos see my time has begun

the wizard in black reveals the sign  
the chosen are ready, destiny realigned  
eye of ultra soul together we join  
alone again, once again into the void

cosmic eye the heart of the sun  
freedom rays awaken the chosen ones
