

# Electro Velvet, Still In Love With You (Eurowizja 2

Well, don't get on the wrong train  
Don't fly in an old plane  
Don't go out in the pouring rain  
You might get wet I'd be upset

You're bound to get sneezes  
Or nasty diseases  
Take good care when I'm not there  
I'm still in love with you

While I'm on vacation  
You be a good patient  
Take your medication  
I worry so each time I go

Try to keep warm, dear  
In case there's a storm, dear  
Take good care while I'm not there  
I'm still in love with you

Some younger guys with roving eyes may tantalise you with their lies  
You must be wise and realise, leave well alone till you get home, dear

Won't see other fellas, don't wanna make you jealous  
No need to fear when you're not here, I'm still in love with you

Let's dance, dance  
Dance

Don't walk on the red light  
Don't stay out at midnight  
Don't get in a fist fight, that pretty face can't be replaced...

Won't be out at night, hon  
It wouldn't be right hon  
No need to fear when you're not here, I'm still in love with you

Everybody dance  
Everybody dance

Everybody dance  
Everybody dance

Sounding good, sugar

You take care now, honey

Don't make a fuss, you need to trust me  
This is how it always must be  
When I stop to think of us, I can assure you, I adore you

Because you're so gorgeous  
You need to be cautious  
Take good care when I'm not there, I'm still in love with you

You have a fun time,  
And soak up that sunshine  
But don't drink too much wine,  
Just one or two will have to do

I know what you're thinking  
So I won't be drinking  
No need to fear when you're not here, I'm still in love with you

I'm still in love with you  
I'm still in love with you
