

Electronic, King For A Day

Please, let me in cause my house is falling down
There's trouble all over the town
Let me begin and I'll tell you a story how
Dracula hunted me down

Show me that you care
And of my presence you are aware
We don't need to shout
Or make a fuss, we are devout

CHORUS

Well, I'd like to make a call to my kid a (hoo, hoo)
And I'd show him all the things that I did (hoo, hoo)
Well, I'd show him all the things that I did
Show him all the things that I did

Some people always come late
Others arrive in a dreadful state
I didn't get there at all
The gun's in the holster and it's too small

Who's that outside my door?
The house is falling in, it's world war again
Who's that outside my door?
Who's that outside my door?

CHORUS

Well, I'd like to make a call to my kid a (hoo, hoo)
(Hoo, hoo)
(Hoo, hoo)

(Hoo, hoo)
(Hoo, hoo)
(Hoo, hoo)
(Hoo, hoo)
