

# Electrosy, Dazed And Confused

I've been dazed and confused for so long it's not true  
Wanted a woman never bargained for you  
Lots of people talkin and few of them know  
The soul of a woman was created below

I've been dazed and confused for so long it's not true  
I wanted a woman and then God sent me you  
Lots of people talkin but few of them know

The soul of a woman was created below

Created below, created below, created below

I've been hurt and abused telling all of your lies  
Run around baby how they hypnotise  
Sweet little baby I don't know where you've been  
Cos I'm gonna love you, here I come again
