Elegant Machinery, Forget What I Had In Mind

How could I ever do those things to you how could I ever talk like that I just want to say those words was not my own. How could things ever come to this CHORUS Forget what I had in mind I never ment a word of it Now I'm searching for those words which are hard to find I really don't know what to say to you some words they never come easy to me Now I'm standing here again with no-one else but me to blame I feel so lose within this crowd **REPEAT CHORUS**
