

# Elend, The Reign Of Chaos And Old Night

Abject and lost lay these legions,  
Covering the flood  
Under amazement of their hideous change.  
Lucifer, above the rest, stood like a tower.  
He calls his servants, host and knights.  
Horrid appeal, at which the universal host up sent  
A shout that tore Hell's concave, and beyond  
Frighted the reign of Chaos and old Night.
