

Eleni Mandell, Careless Driver

I'm blind
I'm blinded
I cannot see
I want to sleep all day
And wile away the hours
I don't need to prove myself
I am a careless driver

I'll run
I'm running
Tomorrow, tomorrow, tomorrow
I don't need to prove myself
I am a careless driver

Maybe you don't notice me
Shrinking 'neath your fearless tree
I'm reckless, I'm reckless, I'm reckless

I'll cry all night
Oh, Lordy my tears never dry
I'm drowning
I don't need to prove myself
I am a careless driver
