

Eleventeen, Evermore

Sometimes I know it goes too far,
When wee fighting each other apart
Why do we go on hurting like this?
And I know it hard to say I sorry
when I not sorry

Sometimes I know we go too far,
When wee ripping each other apart
Why do we hurt each other?
And I know that this is some stupid game,
That I love to play

And I know that this won be the end,
And I know that you will be my friend
And I know that this won be the end,
And I know, and I know, and I know?

Sometimes I know it goes too far,
When wee using words to rip you apart
Why do we go on hurting like this?
And I know that this is some stupid game,
That I love to play

And I know that this won be the end,
And I know that you will be my friend
And I know that this won be the end,
And I know, and I know that?

Youe my friend,
And I will be with you for evermore
And Il stand by your side for evermore, for evermore?

Evermore, evermore?
Il be with you, yeah.
Evermore, evermore?
Il be with you evermore.
