

Elin Sigvardsson, If I

If I tried to abuse you. if I did you wrong.
If I ever accused you for stealing my songs.
If I lightly disturbed you with my unfaithful laws.
If it slightly occurred to you that I wasn't yours.

Then excuse me for being this mad,
But it's all in my head
And I get nothing done as the sun moves up and down ... without you.

If you ever did see me on somebody else's arm.
If I told you to believe me when I lied like a charm.

Then excuse me for being this mad,
But it's all in my head
And I get nothing done as the sun moves up and down - without you.

If I lied, if I talked,
If I hit you in the dark, if I swore to never leave and then let you fall apart.

If my thoughts were too queer,
If I could have been there,
If I pushed you around,
Then I excuse myself now...

If I lied, if I talked,
If I hit you in the dark, if I swore to never leave and then let you fall apart.
