

Elisa, Heaven Out Of Hell (Soundtrack Live)

So are you turning around your mind?
do you think the sun won't shine this time?
and are you breathing only half of the air?
and are you giving only half of a chance?

Don't you wanna shake because you love
(cry) because you care (feel) 'cause you're alive (sleep) just cause you're tired
(shake) because you love (cry) because you care (feel) 'cause you're alive

Make heaven, heaven out of hell now
(I needed to)
Make heaven, heaven out of hell now

are you locked up in you counting all these days?
oh how long until you have your freedom, your freedom?

just shake because you love
(cry) because you care (feel) 'cause you're alive (sleep) just cause you're tired
(shake) because you love (bleed) 'cause you got hurt (die) because you lived

Make heaven, heaven out of hell now
(I needed to)
Make heaven, heaven out of hell now

are you still turning around the same things?
and are you still, are you trying that way?
and are you still, are you praying the same prayers?
and are you still waiting for that same day to come?

climbing the same mountain you're not getting higher
you're running after yourself you can't let go
hiding in that place you don't wanna be
you pushed happiness so far away but it comes back
to give you all that you've given before
to love you the way you do like a mirror
look in the air 'n catch that boomerang
can't fall anywhere else but in your own hand

so make (c'mon) heaven, heaven out of hell now
(I needed to)
make heaven, heaven out of hell now

are we still waiting?
are we still praying?
are we still losing?

We wanna fly because we dream
