

Elisa, So Delicate So Pure

Im losing my mind Im falling apart
I wanna feel you your heart
And all I see is you
Im such a fool to treat you like I do
When I take my fears
And throw them all on you
But its you so delicate so pure
Enough to seem unreal (enough to seem unreal)
Yes its you so delicate so pure
Its so hard to believe
Oh yeah
I love your laugh the way you say my name
I want you to be hard I wanna know your pain
I was so wrong, but now I see the truth
I blamed it on my youth
And Im coming back to you
But its you so delicate so pure
Enough to seem unreal (enough to seem unreal)
Yes its you so delicate so pure
Its so hard to believe
Oh yeah
I love the way that you walk
And the music in the way that you talk
Anybody gonna tell me that Im crazy
I know with all my jealousy its hard to be with me
Yeah Yeah
Here in the dark I need you like a drug
Take anything you want
The part of me you need
Wash over me, desire has a face
I wanna make you see yeah
Ive nowhere else to be
But its you so delicate so pure
Enough to seem unreal (enough to seem unreal)
Yes its you so delicate so pure
Its so hard to believe
