

Elise Estrada, Ix-Nay

I don't mean to be the kitty in the middle
But he's playing you second fiddle
Jack's been nimble
Jack's been quick
The way he treats you makes me sick
Don't you know that you'll never change him
That dog, you can never cage him
Everybody else can see it
But you just won't believe it

-Chorus-

Ixnay on the oyfriend bay
Can he treat you that *ay way*
Not hey diddle diddle dum dum
Not hey diddle diddle dum dum
Ooslay the ooserlay
Those boots are made for alking way
Not hey diddle diddle dum dum
Not hey diddle diddle dum dum
Nuh oh, nuh oh
Nuh oh, nuh oh
Nuh oh, nuh oh
Nuh oh, nuh oh
Boom there go *the* onomatopoeia
Drop the bomb, sayonara, see you
You a *dish*

You deserve a silver spoon
Someone to send you over the moon
