

# Elize, Shake

He put the music on (3x)  
You, you hit me in my heart  
You hit me from the start  
You've got me in my heart  
Now when ever you're around  
You sweep me of the ground  
You've got me in my heart  
Shake me, move me  
Baby now the head is on  
Shake me, move me  
I gonna get my beat back  
Gonna get my beat back  
Shake, he puts the music on  
Me heart just goes alone  
I losing if  
I gonna get my beat back (2x)  
Now the beating of me heart  
Is terring me apart  
You've got me in my heart  
Oh, I'm feeling like a fool  
I gonna play it cool  
You've got me in my heart  
Shake me, move me  
Baby now the head is on  
Shake me, move me  
I gonna get my beat back  
Gonna get my beat back  
Shake, he puts the music on  
Me heart just goes alone  
I losing if  
I gonna get my beat back (2x)  
Shake... shake... shake...  
I gonna get my beat back  
Shake... shake... shake  
I gonna get my beat back  
Shake..... shake  
He put the music on (3x)  
Shake me, move me  
Baby now the head is on  
Shake me, move me  
I gonna get my beat back  
Gonna get my beat back  
Shake, he puts the music on  
Me heart just goes alone  
I losing if  
I gonna get my beat back (2x)  
Shake... shake... shake...  
I gonna get my beat back  
Shake... shake... shake  
I gonna get my beat back
