## Ella Fitzgerald, Angel Eyes

Try to think that loves not around But its uncomfortably near My old heart aint gaining no ground Because my angel eyes aint here

Angel eyes, that old Devil sent They glow unbearably bright Need I say that my loves mispent Mispent with angel eyes tonight

So drink up all you people Order anything you see Have fun you happy people The laughs and the jokes on me

Pardon me but I got to run The facts uncommonly clear Got to find whos now number one And why my angel eyes ain't here Oh, where is my angel eyes

Excuse me while I disappear Angel eyes, angel eyes.
