Ella Fitzgerald, Autumn In New York

[Ella:]
Autumn in New York
Why does it seem so inviting
Autumn in New York
It spells the thrill of first-nighting

glittering crowds and shimmering clouds In canyons of steel They're making me feel - I'm home

It's autumn in New York
That brings the promise of new love
Autumn in New York
Is often mingled with pain

Dreamers with empty hands They sigh for exotic lands

It's autumn in New York It's good to live it again

[Louis:]
Autumn in New York
The gleaming rooftops at sundown
Oh, Autumn in New York
It lifts you up when you run down

Yes, jaded rous and gay divorces Who lunch at the Ritz Will tell you that it's divine

This autumn in New York Transforms the slums into Mayfair Oh, Autumn in New York You'll need no castles in Spain

Yes, Lovers that bless the dark On the benches in Central Park Greet autumn in New York It's good to live it again

[Trumpet solo]

[Ella:]
Autumn in New York
That brings the promise of new love
Autumn in New York
Is often mingled with pain

Dreamers with empty hands They sigh for exotic lands

It's autumn in New York It's good to live it again
