## Ella Fitzgerald, How Deep Is The Ocean

How can I tell you what is in my heart? How can I measure each and every part? How can I tell you how much I love you? How can I measure just how much I do?

How much do I love you? I'll tell you no lie How deep is the ocean? How high is the sky?

How many times a day do I think of you?

How many roses are sprinkled with dew?

How far would I travel To be where you are? How far is the journey From here to a star?

And if I ever lost you How much would I cry? How deep is the ocean? How high is the sky?
