

# Ella Fitzgerald, It' A Blue World

It's a blue world, without you  
It's a blue world alone  
My days and nights that once were filled with heaven  
With you away how empty they have grown

It's a blue world from now on  
It's a blue world for me  
The cedar sky, my heart and I  
We're all in indigo hue, without you  
It's a blue, blue world

Tell me 'bout the blue world you live?

Oh It's a blue world from now on  
It's a true world for me  
From the cedar sky, my heart and I, without you  
We're all in indigo hue, without you  
It's a blue, blue world!
