

Ella Fitzgerald, It Was Written In The Stars

it was written in the stars
what was written in the stars shall be
it was written in the skies
that the heart and not the eyes shall see

and so whether it bring joy
whether it bring woe
it shall be done
now suddenly i know
you are the one

here as in a daydream
by my side you stand
here with my tomorrows
in your hands

it was written high above
that i have to have your love
or i'll never be free
and cloudy though the day be
crazy though i may be
what the stars foretold shall be

here as in a daydream
by my side you stand
here with my tomorrows
in your hands

it was written high above
that i have to have your love
or i'll never be free
and cloudy though the day be
crazy though i may be
what the stars foretold shall be

and so shall it be...
